I noticed that the [REDACTED] discovery packet letter had 27 discovery items, but the [REDACTED] letter only had 26. Considering that the first 26 items requested were the same (got to lover cut and paste), should I assume that the 27th item ("*Continuing Education*") should also be part of the [REDACTED] packet? Thanks.

I need all of them as they were ordered by the court. The circled ones were the ones I was agreeing to and the "xed" out ones were those I did not agree to.

Hi Dave-

Sorry I missed your call, but I was in a meeting and couldn't answer my phone. I received the fax you sent and will try to get to it soon. I do have a question, though - some of the items requested have a circle around the number, and others have an "X" through the numbers. Do I need to only prepare the circled items, or all of them? If I need to do them all, that's fine, but I don't want to spend my time doing something that isn't needed. Thanks.
